

# Print Materials

Using educational materials to spread the word about the importance of colon cancer screening in your workplace will help increase screening rates. We have a large selection of resources available for you in the online toolbox.

Create your own custom brochures, posters and postcards in English and Spanish using the website **MIYO (Make It Your Own)**. Create an account at: <http://www.miyoworks.org/> or use one of our templates. Email your logo to [80by2018@doh.wa.gov](mailto:80by2018@doh.wa.gov) and we'll send you PDFs of one or more of the following posters:

Print or order free brochures, posters and postcards from the **Centers for Disease Control and Prevention** at: [www.cdc.gov/cancer/colorectal/sfl/](http://www.cdc.gov/cancer/colorectal/sfl/). Materials are available in English and Spanish.
